CBR/CBID WORLD CONGRESS

Entebbe, Uganda

Government of Uganda, Ministry of Gender,
Labor and Social Development

CBR Global Network CBR Africa Network

28-30 JULY

2020

Leaving No One Behind - local to global multisectoral collaboration
for persons with disabilities to realize their human rights in communities

CONGRESS OBJECTIVES

Showcase good practices and lessons learned in Community based Rehabilitation (CBR) and Community based Inclusive Development (CBID) activities in different global contexts. This will emphasize activities that showcase how CBR and CBID contribute to the implementation of the CRPD and the achievement of the SDGs.

Identify strategies for action across CBR/CBID at all levels from the individual to the community, including strategies to build capacity and human resources.

Envision the future role, relevance and terminology of CBR/CBID, inclusive development and community-based disability services globally.

CONGRESS THEMES

CBR/CBID in practice: Innovations and using digital and social media as a form of action in implementation, across age, gender, health, education, livelihood, social & empowerment dimensions, linking CBR/CBID with mainstream development initiatives as well as climate change.

CBR/CBID workforce and capacity development: Workforce development and extension. Competencies, knowledge and skills, capacity building & skillmix dilemmas. Implications of CRDP and SDGs.

Research in CBR/CBID: Evidence and CBR/CBID, Individual & community impact of CBR. Participatory & inclusive methodologies. Data collection, management and interpretation. Research translation and research capacity building.

CBR/CBID stakeholders: The participation, role & collaboration of different CBR/CBID stakeholders (children, women & men with disabilities, their families, community & organisations, staff, professionals, affiliated groups, NGOs, policy makers & managers in relevant ministries) including intersectionality & marginalized issues.

Sustainability of CBR/CBID: Enabling factors & barriers. Sustainability within the context of the CRPD & SDGs. Financing and resource mobilization.

Monitoring, Evaluation and Learning (MEL) in CBR/CBID: Methodologies, evaluations of CBR/CBID programs, guideline development, participatory evaluations.
