Women, Gender Equality and Climate Change in Asia and the Pacific

18 May 2023 | 12:45 - 13:45 (UTC +7)

Hybrid | Online: Zoom & In-person: Conference Room 3, UNCC

Join us for "Women, Gender Equality, and Climate Change in Asia and the Pacific," a side event co-organised by ESCAP, UNFPA, and the Ministry of Gender, Family and Social Affairs, Maldives. The event explores the unique challenges and opportunities faced by women and girls in the context of climate change. Learn about gender-responsive climate action initiatives and remaining challenges. Engage with policymakers, experts, and stakeholders from diverse backgrounds, and be part of the change towards a more inclusive and sustainable future.
