DISASTER RISK REDUCTION & CLIMATE CHANGE IN THE PACIFIC: LEARNING WORKSHOP

Join us for an online workshop on the integration of disaster risk reduction and climate change in the Pacific. The workshop will unpack what the challenges and opportunities are for communities, as well as reflecting on the collective impact for the Pacific.

Register your interest via Humanitix: <u>https://events.humanitix.com/disaster-risk-</u> <u>reduction-and-climate-change-in-the-pacific-</u> <u>learning-workshop</u>

We hope to see you there!
