Dear Sir/Madam,

Setareki,

**Re: Seeking candidates for UK Chevening scholarship**

I'd like to inform you that we will be welcoming Chevening Scholarships applications for, for the academic year 2024/2025 until 12:00 UK time on 7 November.

Chevening is our prestigious global Masters level scholarship programme and we seek your support offering it to future leaders in Fiji's public service. Funded by the Foreign, Commonwealth and Development Office (FCDO), these scholarships enable those passionate about creating positive change in their countries the chance to undertake a fully funded one-year master's degree in any subject at any UK university.

We are looking for Chevening scholars who have ambition, leadership potential, strong academic background and an excellent record of rising to challenge. The fully-funded Chevening programme includes: funded tuition fees, living and travel expenses, access to exclusive networking events, internships across the UK, workshops and talks, volunteering opportunities and at the end of the programme joining an international network of 50,000 leaders who have benefitted from Chevening since 1983. More information on applying can be found online at [Chevening.org/apply](https://www.chevening.org/apply)

I would love to increase the number of applications from Fijian Civil Servants and seek your assistance in promoting Chevening scholarships in your senior staff and teams, and encouraging those who are eligible to apply.

We will hold interview familiarisation events later in the year, and my team are here to answer any questions from applicants within your organisation.

Yours Sincerely,

**Dr Brian Jones**

High Commissioner to Fiji, Kiribati and Tuvalu

Dear Setareki,  
Please encourage your
